Target Audience

This activity is intended for practicing Dermatologists. Others who may benefit are Residents, Medical Students, Physician Assistants, Nurse Practitioners, and other interested professionals.

Objectives

Upon completion of this activity, the participant shall be able to:

1. Integrate new knowledge and principles to the care of patients with chronic pain, responsible prescribing of opioid medications, and recognizing signs of opioid abuse, addiction and diversion.
2. Apply knowledge gained in the fields of vulvar lesions, systemic treatments for inflammatory conditions, pediatric dermatology and techniques to ensure the best results from a skin biopsy to the care of patients.
3. Discuss the changing practice environment for the profession of Dermatology and the multiple challenges we face, such as burnout, scope of practice, and regulatory burdens.

CME Credit Statement:

Penn Medicine Princeton Health designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Society of New Jersey through the joint providership of Penn Medicine Princeton Health and the Dermatological Society of New Jersey. Penn Medicine Princeton Health is accredited by the Medical Society of New Jersey.
